ENTRY-LEVEL CATERING BUSINESS POSITIONS

Aug. 2018 - Oct. 2019

I took a gap year to work before university. I worked in four busy catering companies in five different places. I have learnt how to work under pressure, be a great team player, how to lead and how to take on personal responsibility.

Hobbies and Interests

Communication - Dale Carnegie, "How to Win Friends and Influence People" is one of my favourite books of all time.
Volleyball - I am captain of the university volleyball team.
Photography - I share my work with friends on a dedicated Instagram page.
